New Registration Rule

AYSO 5043, a recreational co-ed soccer league, was established in 2008 by volunteers from AYSO Region 2. Over time, it expanded to include all regions within Area 1C. Region 2 covers the costs of field permits and other related expenses for the Adult League. In return, the Adult League provides volunteers (coaches, referees) to Region 2. **Moving forward, Region 2 volunteers will receive first priority during registration.** Volunteers from other regions within Area 1C will be placed on a waitlist and considered for the draft only if spots become available. Players from other regions who have participated in our league during recent seasons will not be affected by this new rule.
